

# 2mtr DisplayPort Male to Single Link DVI-D Male Cable

**Product Brief**

This DisplayPort to DVI Cable lets you connect a DVI capable display to a DisplayPort video card/source. For high definition, all-digital video in pure digital form that looks its best, this cable with enhanced durability and optimized signal transfer, offers an extraordinary high-definition video experience. All our DisplayPort cables are manufactured using high quality componentry for maximum signal transfer and corrosion resistance, along with high-density, triple-layer shielding for excellent interference rejection.

**Features**

- 20 Pin DisplayPort Male to 24+1 Pin Single Link DVI-D Male
- Triple shielding reduces interference, noise and distortion
- Improved signal transfer with high grade oxygen-free copper wire
- Corrosion-resistant connectors designed for maximum conductivity and low signal loss
- Supports DVI Single Link resolutions up to 1920 x 1200
