5mtr DisplayPort Male to HDMI Male Cable

Product Brief

This DisplayPort to HDMI Cable lets you connect an LCD/ LED TV, Plasma, Monitor or Projector with an HDMI input to a DisplayPort video card/source. For high definition, all-digital video in pure digital form that looks its best, this cable with enhanced durability and optimized signal transfer, offers an extraordinary high-definition video experience. All our DisplayPort cables are manufactured using high quality componentry for maximum signal transfer and corrosion resistance, along with high-density, triple-layer shielding for excellent interference rejection.

Features

- 1 x 20 Pin DisplayPort Male Connector
- 1 x 19 Pin HDMI Male Connector
- Triple shielding reduces interference, noise and distortion
- Improved signal transfer with high grade oxygen-free copper wire
- Corrosion-resistant connectors designed for maximum conductivity and low signal loss
- Supports all the latest 4K Ultra HD displays with resolution up to 3840 x 2160 @30Hz
- Supports audio output*

* Host DisplayPort device must output audio signal. Check with host DisplayPort vendor
